# Contactless Card Readers

# MT318-623

## ☐ MT318-623

## ☐ Features

● High reliability and durability

● Contactless IC card and MIFARE card read and write

● Custom design and various corresponding

● Software updated via RS232 supported

● ISO standards compliant

## ☐ Applications

● Kiosk Terminals, Fuel Dispensers, Payment Systems, Vending Machines, Pay Systems

● Gaming Machines, Electric Vehicle Charging Piles, POS terminals, other ID Terminals

● Parking Systems, Security & Access Control terminals, Credit Authorization Terminals

## ☐ Specifications(R: Read only, R/W: Read & Write)

| Category | | Contactless |
|---|---|---|
| Card Type | | Contactless IC card, SIM, PSAM and ESAM Card |
| Type A CPU Card 13.56M, ISO14443-4 (Type B Optional) | | R/W |
| MIFARE 1 | | R/W |
| Interface | | RS232C |
| Power Supply | | +7-15V DC |
| Dimensions(mm) | W | 68 |
| | L | 103 |
